1. Five (5) of the seven (7) new residents admitted during the past 12 months were from the Extremely Low-Income (<30%) income applicant pool. Thereby achieving our goal (and the Federal requirement) of selecting at least 40% from that applicant pool.

3. We feel that we achieved the goal of providing safe and secure housing to our residents since our RASS score (from CY2003) was 90%. Further, during separate meetings on October 14, 2004, both our resident council members and the Chief of Police indicated that they felt our housing complex was a safe place to live.

B. Criteria for Substantial Deviations and Significant Amendments

(1) Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

a. Substantial Deviation from the 5-Year Plan

The Housing Authority of Greenville (HAG) has chosen the following as its definition of Substantial Deviation from its Annual Plan:

- 1.) Redirection of more than 25% of its operating budget funds from any budgeted/scheduled activity to another activity or:
- 2.) A major change in program direction (e.g., new or different housing selection preference criterion, new or changes to deductions from income-based rents, additional efforts to enhance deconcentration opportunities, changes in the basis of determining Ceiling/Flat rent amounts, etc.) that requires action on the part of the Board of Commissioners; or
- 3.) Increasing or decreasing the total number of HAG's employees by more than 50 % from that authorized on the April 1st of each fiscal year.

However, NONE of these changes will be considered a Substantial Deviation IF those changes result from Government (i.e., Federal, State, or Local) actions over which the HAG exercises no control.

b. Significant Amendment or Modification to the Annual Plan

The HAG has chosen to use the HUD definition of Significant Amendment or Modification. Specifically, it will consider the following to be such modifications/amendments:

- 1.) Changes to rent or admission policies or organization of its waiting list.
- 2.) Additions of non-emergency work items (not included in the current Annual Statement or 5-Year Action Plan) or change in use of the replacement reserve funds under the Capital Grant Funds Program.
- 3.) Any change with regard to demolition or disposition, designation of projects/buildings (for the elderly/disabled or families with disabilities), homeownership programs or conversion activities.

However, NONE of these changes will be considered Substantial Amendments/Modifications IF those changes result from Government (i.e., Federal, State, of Local) actions over which the HAG exercises no control.
